**GIBNEY COMPANY DIRECTOR GILBERT T SMALL II  
RECOGNIZED AS 2025 “25 TO WATCH” BY DANCE MAGAZINE**

We are thrilled to announce that **Gilbert T. Small II**, the Director of Gibney Company, has been recognized on Dance Magazine’s prestigious “25 to Watch” list for 2025!

Gilbert’s visionary leadership at Gibney Company is redefining what it means to create deeply human, forward-thinking dance. His leadership is defined by his ability to inspire both excellence and authenticity in every dancer. Grounded in the belief that dance should connect deeply to our shared humanity, he encourages exploration and innovation, fostering a process that is as meaningful as the final performance.

With a rich history of performing with Ballet BC and working alongside renowned artists such as Sidra Bell, Kyle Abraham, Dani Tirrell, and zoe | juniper, Gilbert has brought his wealth of experience to Gibney Company. As Gilbert says, “We owe the art form itself our hearts, spirits, and labor.”

This recognition shines a spotlight on Gilbert’s passion and leadership, and we couldn’t be prouder. Congratulations, Gilbert, on this well-deserved honor!
